GLUTEN-LESS PIZZA

GLUTEN-LESS, NOT GLUTEN-FREE

To offer a gluten-free pizza option to our customers looking to avoid gluten in their diet, we went to the source and procured gluten-free dough from gluten-free bakers.

However, once the dough enters our store, it's no longer gluten-free.

We make dough every day from high-gluten flour so the stuff is literally everywhere. Consequently, our Gluten-Less pizza is just that, less gluten than our New York Style dough, **but certainly not completely gluten-free.**

That said, our Gluten-Less Crust is not recommended for those with Celiac Disease. Customers with gluten sensitivities, or looking to avoid gluten in their diet, should exercise their judgment, or the recommendation of their physician, before consuming this pizza.

Gluten-Less Pizza \$9.99 (available in 10 1/2" only)

Sorry, coupons and specials (including the Free Pizza Tuesday) do not apply to Gluten-Less Pizza.
